Hello!

Welcome to The Heathlands Project festive newsletter. We wanted to share some of the festive activities we've been up to and to take this opportunity to wish you all a very Happy Festive Season and a peaceful New Year.

An Alternative to Cards

Here at The Heathlands Project we are always working conscientiously to care for our environment. We are blessed by our surroundings at the farm and have wonderful wildlife because of it.

This year we are asking that our members do not send Christmas cards to each other, staff or volunteers. If everyone sends cards to everyone, then we would be distributing something in the region of 9000 cards! Our Art groups are working on a giant card that we can all sign to share our festive wishes with everyone.

To help give back, we have been very fortunate to have received 105 free trees from The Woodland Trust. Planting has already started!

Christmas Goodies from the Bakery

Our wonderful kitchen teams have been making Christmas cakes and puddings again this year. They will be available on a first come first served basis. Cakes are £6 and puddings are £4. Yum yum!

Bah Humbug!

In the Heathlands Film Group, we have been combining different ways of filming with different sound and music to see how film making can make people feel different emotions. We have also just finished filming a short remake of "A Christmas Carol" which we will show over the festive period.

If you have any comments or something you'd like included in the next newsletter please email it to helen.walsh@lbtuk.org by January 20th.

Festive Opening

We will be closed on the following days:

Monday 25th December
Tuesday 26th December
Monday 1st January

A Quilt for Cumbria

Not festive exactly but currently on display at Tullie House are the 'Quilts for Cumbria,' a BBC Get Creative project run in collaboration with Up for Arts Cumbria. Earlier in the year lots of us made patches for this project and you can see them at Tullie until 19th January.
