Welcome to The Heathlands Project's second newsletter. We've had, as ever, a busy three months and we're looking forward to another busy three months! We'd love to know what you think or if you have any thing you would like to add to the newsletter so please get in touch!

Sad News

Kath and Netty attended the glitzy awards ceremony, which was held at the 'Garden of Eden,' and were delighted when it was revealed that Heathlands had won in our category which only goes to reinforce what a fantastic team we have here. It's wonderful when all of your hard work is recognised by others so a big thank you and well done to everyone.

If you would like more information, there will be an article and pictures from the Awards evening in the October issue of Carlisle Living which is out now – so hurry and grab a copy before it's sold out!

Art and Textiles

Outside In provides a platform for artists who find it difficult to access the art world. They are currently selecting work, via their online galleries, for their Radical Craft exhibition so we have been very busy in the Art and Textiles section making online galleries for several of our artists on Outside In's website. For more information and to see the galleries you can visit www.outsidein.org.uk

Sports and Games
